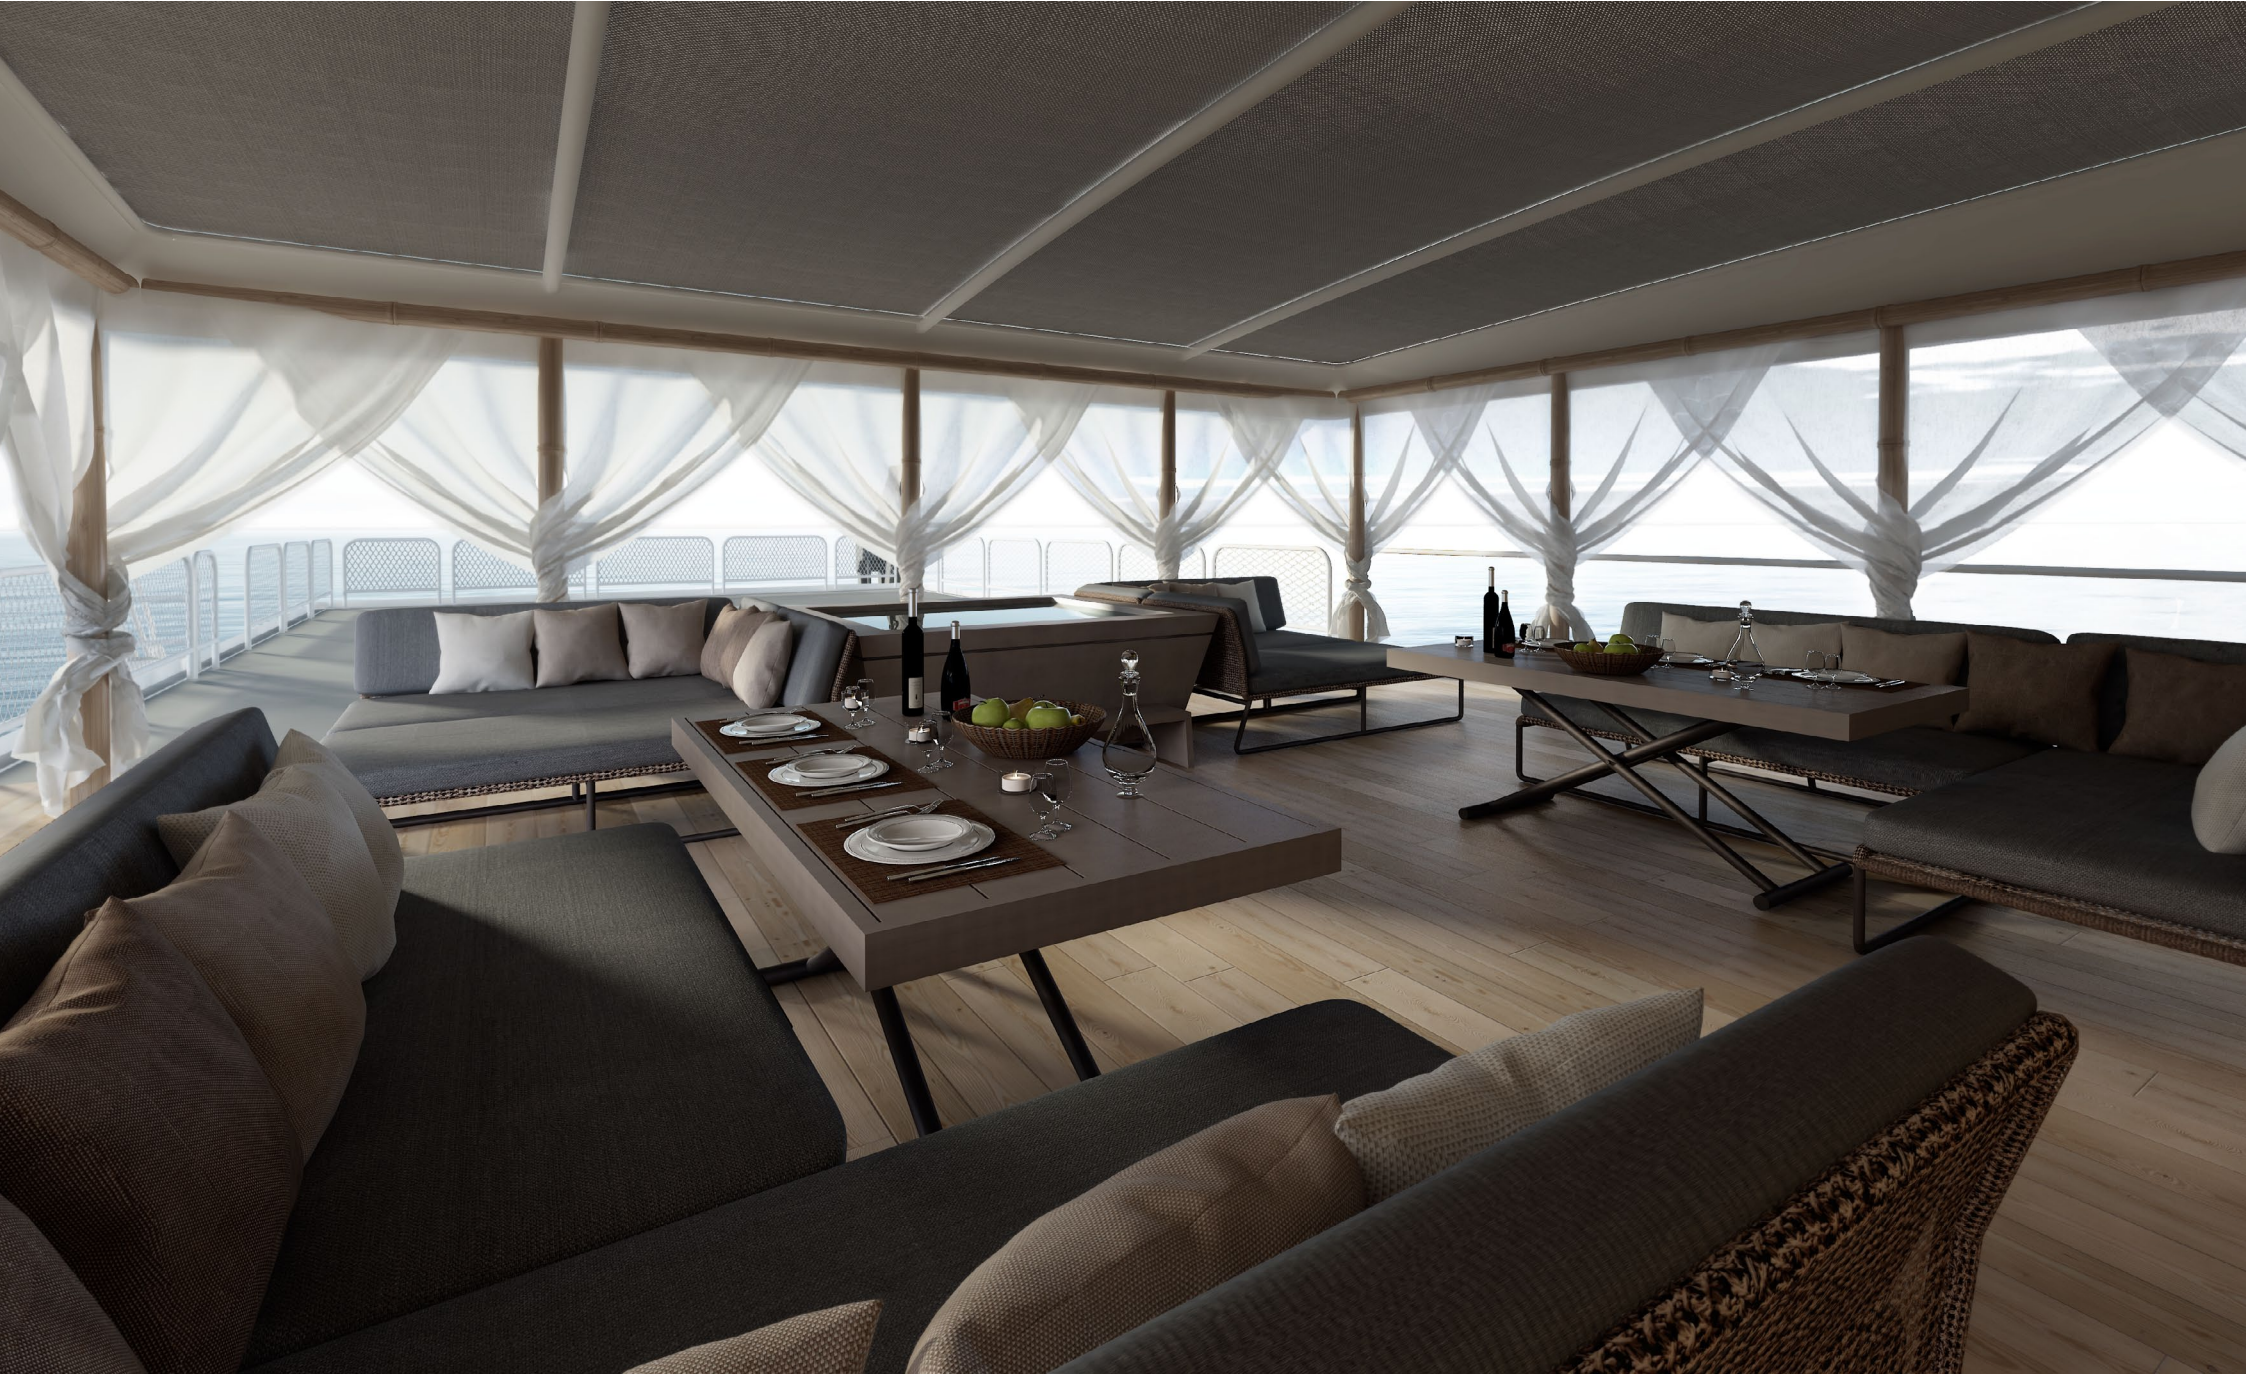
BEFORE REFIT

After refit

MY 50 m MYSTERE - Shadow Boat

PASTROVICHSTUDIO



Two side table can be lift up from the floor. The extra table in between is positioned manually (it is stored in the lockers of the crew passage)

When spot light are off, the visibilty is offered with hidden linear lights and the sky constellation
All linear lights are RGB, which means they can change colour at your choice
The table are positioned at the same level of the sofa, so the sofa are very large for relax

RGB lightning - Discoteque
